Public Notice

Re: Meeting of the California Maritime Security Council Training & Exercise Subcommittee (CMSC-TES),
September 17, 2008

Notice to the Public:

Mission of the CA Maritime Security Council (CMSC-TES) is to act as an advisory body to California Maritime Security Council (CMSC) and assist the three Area Maritime Security Committees (AMSCs) in matters related to Maritime Security training and exercise programs as follows:

- Developing a network of organizations from all three AMSC regions, that represents the full spectrum of California's homeland security port and maritime stakeholders.
- Identify areas where training can be institutionalized.
- Identify training requirements in port and maritime security.
- Identify areas where port stakeholders can leverage existing training programs to maximize maritime security training opportunities.
- Provide a standardized methodology for maritime training and exercise implementation following the guidelines of the Homeland Security Exercise and Evaluation Program (HSEEP).
- Review Port Security Grant Initiatives specifically addressing training and exercise issues and make recommendations to enhance maritime security and port security.
- Provide leadership, unity, and focus of effort to the development of California's Port Security Exercise Program, which requires each "high-risk" facility to conduct a full-scale exercise (FSE) not less than once every two-years (in accordance with 46 USC 70103(3)), as an integral part of California's 5 year Exercise Program and the Governor's Annual Statewide Exercise Series Golden Guardian.
